Applications selected for a scholarship at the specified Hosting University. The applicant receives an email notification including a Scholarship Offer form and a Scholarship Contract that must be signed to confirm acceptance. Selected applicants not intending to accept the scholarship must sign the Scholarship Offer form. Candidates applying to more Universities than the one for which they have been selected cannot be selected for the other Universities.

List of RESERVE applications

In the following months, but no later than the end of 2013, applicants in the reserve list may be selected and receive a scholarship offer in case a selected candidate withdraws from the program. The selection of reserves is more frequent in the 1st month after the publication of the selection outcomes. However it is possible for reserves to be selected till the end of 2013.

All candidates who are NOT listed in the Selection list below are to be considered as NOT SELECTED.

Privacy

For privacy and data protection reasons, these lists do not include the applicant's name but only the application's identification number (UID). Your application's UID is found in the email messages that you have received when applying.

Candidates applying to more than one Hosting University

1) applicants selected for one Hosting University cannot be selected for other Universities they have applied to;
2) the outcome of the application to each Hosting University can be different, depending on its completeness and quality in relation to the general selection criteria and the Hosting University's specific requirements as described in their academic offer.
